## **SELECTION PROCEDURE FOR SKILL DEVELOPMENT PROGRAMMES (Students)**

- The application and scorecard for selection of students and stakeholders for skill development programmes will be uploaded in the ANGRAU website.
- Only one training (National /International) is permitted per student under IDP. Those selected for international training will not be considered for National training.
- Interested students will be instructed to download the application form and guidelines for selection of students for National/International programmes and submit their filled in applications with relevant supporting documents to Officer in-charge of Academic Matters (OAM) in their respective colleges.
- The OAM has to verify and certify the grade point of the student and the Advisor has to certify the conduct of the student for selection of Students for National training programmes under IDP
- The applicants will be evaluated for their academic performance based on their CGPA upto previous semester and the merit list will be prepared by the IDP units at college level taking into account the social category status and availability of slots.
- The final selection list along with two waitlisted candidates in each category will be communicated to the Principal Investigator, IDP of ANGRAU along with their applications for further necessary action .
- NAHEP has stipulated to include 2<sup>nd</sup> and 3<sup>rd</sup> year students for trainings. However, it is proposed to depute final year students for the FY 2018-19 for the following reasons:
  1. They would have completed all courses as per syllabus and hence primed to comprehend advanced training
  2. Since Student READY in final year is completely oriented towards skill and entrepreneurial development, it is in agreement with the trainings proposed.
- The Associate Deans will be requested to give wide publicity regarding Skill development programmes and motivate the students to apply for the trainings under IDP, ANGRAU.
- 300 stake holders (151 for 2018-19 and 149 for 2019-20) will be selected in coordination with Department of Agriculture for training.
