DO.Letter.No.892/OP/2020, Dated:10.03.2020

Dear,

Sub: Awareness campaigns against the Novel Corona virus (COVID-19) – Preventive measures- Regarding.

Ref: 1. Review meeting of the Chief Secretary to Government, dated.09.03.2020.

***

You are all aware of the fact that the Novel Corona virus (COVID-19) has infected large number of people in more than 75 countries and people in various states in India.

2. The Government of A.P. as a precautionary measure put the state Government machinery to the highest alert and is taking all preparatory measures to deal with the situation.

3. There are certain avoidable rumours or misinformation doing the rounds that are being circulated through various digital media platforms. The Health Medical & Family Welfare Department, Government of Andhra Pradesh have prepared campaign materials depicting various aspects of the nature of virus, the development of symptoms & preventive measures including Do's & Don'ts to be followed. It is necessary that the students and authorities of your institution should be made aware of the above aspects so that students and authorities of the respective institutions take their own preventive measures and also make his/her friends/relatives aware of the virus and safety precautions.

Continued on pg.2
4. You are requested to follow the below instructions scrupulously without any exceptions

a. All the students and faculties, who returned from abroad, on or after 10.02.2020 shall be in home isolation for 14-28 days depending upon health condition. After 14 days of isolation, based on Medical evaluation further isolation for another 14 days would be advised. They are advised not to travel in public transport.

b. The students and faculties who are scheduled to visit abroad are advised to avoid any foreign travel till further orders.

5. You are also requested to conduct awareness campaigns within the Universities/institutions by inviting experts having knowledge of the disease. You are also requested to make sufficient print outs of exhibits in banner format and display them prominently in all the Departments of Universities and colleges.

Encl: (1). The Campaign material.
      (2). UGC Advisory for Universities and Colleges.

Yours sincerely

D.O. No.F.No.1-14/2020 (Website) 5th March, 2020

Dear Madam/Sir,

This is in reference to communications received from Secretary, Department of Health and Family Welfare and Joint Secretary (HE), MHRD regarding taking preventive measures to combat the threat of the Novel Coronavirus (COVID-19), as some cases of the virus have been reported in the country. Towards this, a coordinated and collective effort in a mission mode is needed. therefore all universities and their affiliated colleges are requested to take necessary precautions and follow the advisory given below to help in prevention/reduction of the transmission of the virus.

Advisory for Universities and Colleges – Novel Coronavirus (COVID19)

Universities and Colleges are advised to:
- Avoid large gatherings on campus.
- Any student/staff with travel history to any COVID-19 affected country or in contact with such persons in last 28 days, should be monitored and home quarantined for 14 days.
- Faculty should be alert towards any student with signs and symptoms i.e. fever, cough and difficulty in breathing, and should immediately have the student tested.
- Till advised by the treating doctor the student should not join campus.
- Faculty staff and students should also be advised about simple public health measures of hand and respiratory hygiene.

Hand hygiene: Wash hands frequently and thoroughly with soap & water or use alcohol based hand sanitizer, even when hands are visibly clean.

Respiratory hygiene:
1. Everyone should cover their mouth with a tissue/handkerchief (or their sleeve if there are no tissues available) when they cough or sneeze and wash their hands afterwards.
2. Do not touch your eyes, nose and mouth.
3. Everyone should throw away used tissues in a bin and wash their hands after contact with coughing/sneezing.

- Frequently touched surfaces – door knobs, switches, desk tops, hand railings etc, should be disinfected.
- Provide alcohol based hand cleaners/sanitizers in frequent spots of the universities/colleges.
- Ensure availability of soap and water in rest rooms at all times.
- Foot operated pedal bins lined with plastic bag should be provided in each classroom & rest room.
- In hostels, health status of students as well as the other ancillary staff should be monitored on regular basis. In case, there are suspected cases, the authorized local medical authority should be called for examination.
- Anybody with signs & symptoms (cough, fever or difficulty in breathing) should call State/UT helpline number or Ministry of Health & Family Welfare’s 24X7 helpline at 011 2397846 or visit public health facility with a mask or mouth covered.

An information pamphlet received from the Ministry of Health & Family Welfare to sensitize the students is enclosed.

With regards,

Yours sincerely,

(Rajnish Jain)
