

**ACHARYA N. G. RANGA AGRICULTURAL UNIVERSITY
LAM, GUNTUR – 522 034, A. P.**

Two days' Workshop on 'Enhancing Research Exposure: Utilizing Reference Management Tools and Software for Manuscript Publication in Scopus Indexed Journals'

Background: Publishing research articles in highly esteemed peer-reviewed journals requires a great deal of skill and is the most difficult undertaking in the present day of advanced research and technological growth. The regulations and guidelines differ from journal to journal throughout the world, for authors to publish and submit research articles. In this modern era, it is quite important to write a research paper with a strong thesis in a short amount of time. In addition, a large number of people in a variety of categories, including students, researchers, faculty members, decision-makers in government, etc., will be reached through the publication of papers in peer-reviewed journals. Additionally, the university's credentials will improve with enhanced awareness of the professors and students' research projects, which will aid to raise its national position.

*In this context, a two day workshop will be organized at two locations
